

ProAm Sports Medicine (ProAm) is now providing with CAMO medical clearance services for all CAMO fighters and promotions. Please submit all completed medical exams to [Medicals@camomma.org](mailto:Medicals@camomma.org) that will be quickly screened by ProAm.

ProAm serves as the first point of contact for fighters and promotions in gathering and reviewing all completed medical exams to ensure proper completion of pre-fight and suspension clearances as well as to answer any medical related questions.

Fighters and promotions are under no obligation to schedule their exams through ProAm, however, their extensive network of contracted medicals providers throughout California including Concentra, Quest Diagnostics, and Agile Health make sure that your athletes can get service quickly and efficiently. ProAm can schedule all CAMO medical exams and labs. ProAm's fixed rate exam costs in California are:

Physical Exam-\$130

Blood Trio Lab- \$65

To schedule exams, labs, or suspension clearance please send an email request to

[CAMO@proammedical.com](mailto:CAMO@proammedical.com)

Additionally, ProAm is here to assist CAMO promotions in managing their fight cards pre-fight medical clearance process.

ProAm is the premier provider of medical and exam services within the US for the combat sports community with clients including the UFC, PFL, Bellator, and Premier Boxing Champions. ProAm Sports Medicine has been assisting CAMO promotions and fighters for several years on an individual basis and is now very pleased to be assisting CAMO in full capacity for the very important process of ensuring fighters are medically fit to compete.
